Tel No; (01482) 627963

Fax No; (01482) 641736

Date; 2000

Value £346,000

Four years of work, an entire villages input and a massive lottery grant culminated in Britcon undertaking the construction of the long awaited village hall at Thorpe Willoughby near Selby.

A purpose built facility for the villagers designed to be robust and vandal proof whilst also appearing attractive and user friendly.

Providing facilities for groups such as Scouts, Guides, Brownies, Cricket Club, Whist Club, Mothers and Toddlers and Badminton the village hall also provides nearby Selby College with evening class facilities.

Opened by the High Sheriff of Selby the hall has proven to be a great success.
