Fax No;                 (01482) 612553

Date;                    2002

Value                    £444,000

During 2002 Britcon Limited were awarded the construction of a new family center at the Bilton Grange Estate in Hull.

Won through a competitive tender process the 'Design and Build' project comprised a family drop in centre in the heart of Hull.

The traditionally constructed single storey building comprised facilities for use by all members of the community, young and elderly, abled and disabled. The building included individual facilities for many specialist groups.
